No Resources, Just Relationships.
No Networking, Just God Working.**

Come spend four days in Yosemite National Park with eight other children's pastors reconnecting with God.

May 23-27, 2010

"Yosemite Summit is an event that will recharge you as a child of God, a husband of your wife and a father of your children. The investment is worth it because the event will impact your walk with God and your relationship with your wife and kids. I can tell you that this single week will have an impact on the rest of my life." - Matt
