

WISE KIDS SEEK HIM

Overview of Christmas Series

Welcome to **Wise Kids Seek Him!**

Wise Kids Seek Him is a 4-Week series that dives deeper into the story of the Wise men and challenges kids to be wise, too! The story of the Wise men is very short and yet many misconceptions have grown around the story. Kids will learn that there weren't just three Wise men as the popular song suggests, and that the Wise men weren't actually in the manger scene – but more importantly, they will learn characteristics of the Wise men that kids can imitate.

SERIES OVERVIEW

- **Wise Kids Seek Truth** *Promote the pursuit of Truth and acting on it when it is found.*
- **Wise Kids Find Jesus** *Share the Gospel with the kids!*
- **Wise Kids Are Generous** *Encourage generosity with a focus on giving over getting.*
- **Wise Kids Worship Jesus** *Help kids discover that worship is more than singing.*

DECORATING FOR THE MONTH

Because most likely you will have decorated for Christmas, Wise Kids doesn't suggest an elaborate decorating theme. However, if you would like to make your room/set fit the theme, consider decorating with Astronomy items. Either decorate as a professor's room study/library or an astronomy laboratory/observatory. You can decorate with planets, display a telescope and, of course, you could display a GIANT STAR somewhere in the room.

SMALL GROUP OPTIONS?

If you incorporate small group discussion time into your service, there are several options available to you. Small Group leaders can use the TAKE IT form to lead a discussion. Kids can do the activity, look up the verses, review the theme verse and answer the discussion questions. You can still send the TAKE IT paper home for parents to use as well. You may also find an activity from the lesson that small groups can use instead of in the large group.

LESSON FLOW?
